CONFERENCE INFORMATION

Placards are the property of the participant. Participating schools are responsible for their own delegation placards and will need to pay an amount estimated to be 10€ for replacement. However, the exact price might be subject to change during the conference. Delegates must and may only use TIMUN provided placards. At the end of the conference, neither the delegates nor the StOff members are allowed to keep the placards and take them home.

Badges are to be worn at all times. The replacement of lost/forgotten badges will cost an estimated 10€. Participants without a badge will not be admitted to the campus due to security precautions.

Cell Phones have to be silenced during committee sessions. Participants should refrain from text-messaging during sessions. Use of cell phones during sessions may result in confiscation of cell phones by Executive Committee members.

Internet Access is provided by TIMUN. The Executive Committee holds the right to disable internet access for users who are detected to be visiting inappropriate websites.

Laptops can be brought to TIMUN to facilitate merging. Computer facilities are also provided.

Scanning of all storage devices (flash drives, portable hard disks, etc.) for malicious content will be done before they can be used with the computer facilities on campus.

Note passing should only be done in English. Committee chairs and Executive Committee members can suspend note passing at any time. Notes are monitored by the Administrative Staff.

Delegation note papers are required to be brought by the delegates. Note papers will not be printed by TIMUN photocopy facilities.

Plagiarism will result in disciplinary action. All work is automatically checked for plagiarism; Preambulatory Clauses of a resolution are not an exception.

Smoking is not allowed on campus. For student participants, a copy of G2 Form signed both by your advisor and a TIMUN Director is required in order to exit the campus for smoking purposes only.

Consumption of alcoholic beverages or narcotic drugs on campus is strictly prohibited. If a participant is found conducting any of the aforementioned behavior on campus, their MUN director will be informed and the participant will be asked to leave the conference immediately.

Appropriate Clothing is an essential part of TIMUN. Male participants must wear a suit and tie at all times. They can remove their jackets but only when they are seated. Females must be dressed equally formally. Very short skirts and low-cut tops are not permitted. Casual footwear such as UGG boots or canvas sneakers are also not permitted. Military uniforms or traditional clothing are not acceptable.

The Executive Committee is always open to questions. In case of an emergency, please find an Admin Staff, Student Officer, TIMUN Director, or an Executive Committee member immediately

Campus Cats should be treated with respect at all times, and should not be fed. They're an integral part of our campus community.

ADVISORY PANEL

What is the Advisory Panel?

The Advisory Panel (AP) is one of the most advanced committees of the United Nations. Unlike regular GA committees, the AP does not have delegates; instead, it has experts of involved countries' policies. The AP follows the Ad-Hoc debate system, which goes clause-by-clause to create a proposal in the end. The experts are required to be well informed on the question and use that information during the debate in order to create a proposal called "Joint Communiqué" that will ultimately be submitted to the Secretary-General.

Advisory Panel in TIMUN '24

This year's Advisory Panel will be gathering for the disputes within the Southern American region. The experts will be focusing on issues with political significance, such as the ELN Insurgency, Bolivian judicial problems, and the dispute between Venezuela and Guyana. This year, the experts will be using their skills in line with the Ad-Hoc procedure, where communication and negotiation skills will be tested for a full-house consensus.

Advisory Panel Rules of Procedure

a. Procedures for Debate

- The debate is conducted in clause-by-clause format and in a closed debate format.
- After taking the floor, a speaker must choose among:
 - Yielding the floor to the chair,
 - Yielding the floor to another panelist,
 - Answering points of information from the House.

NOTE: Panelists are allowed to yield the floor to another panelist after having answered points of information from the House. This can only happen once consecutively.

- Follow-ups are allowed in the Advisory Panel, but they are to be granted at the Presidency's discretion.

b. Procedures for Amendments:

- Amendments are conducted in a closed debate format.
- The Panelists may submit new clauses as amendments after all clauses submitted during lobbying are debated.
- When an amendment fails, the submitter does not retain the floor.
- The voting procedure for amendments is different than that of clauses: In favor, against, and abstention votes will be taken. If there is a majority of in favor votes, the amendment passes. In all other cases, the amendment fails.

c. Procedures for Voting on Clauses:

- When voting on clauses, Panelists may vote for, against or abstain; no panelist holds the veto power.
- After the individual debate of each clause, a vote will be conducted on that respective clause.
- At the beginning of the vote, the Student Officer will ask "Are there any objections to this clause?".
- If there are no objections, the clause passes.
- If there's an objection or multiple objections, the presidency will grant the floor to the expert(s) for them to speak up their objections.
- The Student Officers have the discretion to decide whether or not an objection is valid. If there are no valid objections, the clause passes. If there is at least one objection that is deemed valid by the presidency, the clause is tabled.
