

Delegation Name: Georgia

Ambassador Name: Ece Ünlü

Your excellency the Secretary General, honorable delegates and distinguished guests,
Georgia is delighted to be a part of the 29th annual session of TIMUN. We as the ambassador of Georgia realize the significance of Post-conflict Peace and encourage fellow delegates to engage in relevant debates in order to make this conference beneficial and take wise decisions bearing in mind that the U.N. was assembled to make a more peaceful world.

Since the 88th plenary meeting of the 46th session of the UN General Assembly in 1992, Georgia has been actively involved in the work of the U.N. Since then, Georgia has consistently supported the aims and purposes of the Organization in the areas of peace and security, development, justice and human rights, as set forth in the UN Charter.

Georgia attaches great value to dealing with global economic and social issues such as the adherence to human rights, fundamental freedoms, insufficient health and living conditions and international economic affairs.

Georgia regards Model United Nations as an extraordinary tool which helps coordinate peacebuilding in countries regarding thoughtfully selected agenda items. Therefore, Georgia is looking forward to hearing and debating other delegations' opinions on these issues. We wish a fruitful debate to everyone!
